The new way to travel

👁 7 ✓ 0 ★ 3

Chapter 1 by Gyro

I sat down on the old rusted metal bench. I was at a train station. One of the ones that were part of the renovation. The renovation is changing the world forever. Over 1000 train stations are switching to a young scientist's new invention, a train that can move at the speed of light. A glorious invention but expensive. The sudden sound of a train moving at the speed of light interrupted my thoughts.
